

ATTACH THE SHERPA CARGO CARRIER

1. Pass looped ends of Sherpa Cargo Carrier through Top Carry Handle of frame. Pass plastic buckle through looped end and pull tight.

2. Pass the left and right top straps through L-1 and R-1 attachment points on frame. Pass the left and right lower straps through L-4 and R-4 of frame.

3. Pass the adjacent velcro tabs through each of the same attachment on the frame. Close tabs to attach Sherpa.

4. Pass the bottom velcro straps around the cargo deck and route back through C-1 and C-4 attachment points and secure velcro tab.

5. Attach male portion of side release buckle to straps.

6. READY TO GO HAVE FUN!
